

Project Shade 2025

2024 saw the introduction of the \$3 Gate Fee, and whether you loved it or hated it - it was a success!

The upkeep and maintenance of our grounds and courts is an ongoing effort—and unfortunately, it doesn't come without costs.

Thanks to the incredible support from our facility levy and gate fee contributions, we raised over \$50,000 in 2024!

These funds allowed us to construct the Bette Wyer Memorial Grandstand at the end of Court 4 and lay the concrete for the next bay in honor of our beloved Life Member and Netball Champion, Bette Wyer.

Looking ahead, Project Shade 2025 is now in the planning stages! We are seeking input from our valued members to make this vision a reality.

If you would like to share your ideas, please reach out to us—we would love to hear from you! Email: treasurer@mackaynetball.com
